A long but rewarding walk, including some steep climbs, passing through the picturesque village of Chilham, and on into the grounds of Godmersham Park, before climbing out of the valley into Denge and Eggringe Woods. Returning to the station via the chalk grassland of the nature reserve at Winchcombe.

*Du bas de la vallée au sommet des collines.*

*Une longue balade mais qui en vaut vraiment la peine, incluant de bonnes montées, et traversant le village pittoresque de Chilham ainsi que les jardins du parc de Godmersham avant de quitter la vallée pour grimper aux bois dits "Denge Wood" et "Eggringe Wood". Le retour à la gare s'effectue par la pelouse crayeuse de la réserve naturelle de Winchcombe.*
